Honeywell Announces Obsolescence of Certain Packaged Products, Last Time Buy

August 11, 2017

Effective immediately, due to low volume, Honeywell Sensing and Internet of Things a Gold Business Enterprise of Honeywell Safety and Productivity Solutions, will no longer support the part numbers outlined in the Excel document provided with this announcement. Please place your last order by September 30, 2017 as no orders will be accepted after this date. This provides our customers with a 1-month period to analyze upcoming demand requirements and place an order.

Last time buys are offered for these packaged products and must be received by September 30, 2017 for shipment by December 31, 2017. Honeywell reserves the right to review last time buy orders to determine if they can be filled and if Minimum Order Quantities (MOQ) apply greater than published MOQ.

Honeywell values its customers and realizes that this product obsolescence may require new platform validation. We want to work with you to make this a smooth transition to your new platform.

Warranty / Remedy

Honeywell warrants goods of its manufacture as being free of defective materials and faulty workmanship during the applicable warranty period. Honeywell's standard product warranty applies unless agreed to otherwise by Honeywell in writing; please refer to your order acknowledgement or consult your local sales office for specific warranty details. If warranted goods are returned to Honeywell during the period of coverage, Honeywell will repair or replace, at its option, without charge those items that Honeywell, in its sole discretion, finds defective. **The foregoing is buyer's sole remedy and is in lieu of all other warranties, expressed or implied, including those of merchantability and fitness for a particular purpose. In no event shall Honeywell be liable for consequential, special, or indirect damages.**

While Honeywell may provide application assistance personally, through our literature and the Honeywell web site, it is the buyer's sole responsibility to determine the suitability of the product in the application.

Specifications may change without notice. The information we supply is believed to be accurate and reliable as of this writing. However, Honeywell assumes no responsibility for its use.
